Subject: UOG workgroup review: OAR Presentation June 6 GHG inventory webinar
Attachments: 2019 GHGI Revisions Under Consideration Webinar_2018-06-01.pptx

Hi Jim,

Attached for your review is a slide deck for a stakeholder webinar on oil and gas in the GHG inventory tomorrow 6/6. First apologies, this is last minute. Let us know if you have any questions or concerns.

Event: 2019 GHG Inventory Revisions Stakeholder Webinar

Date: June 6, 2018

Location: EPA HQ, DC (webinar)

Presentation Title: Natural Gas & Petroleum Systems: Updates under Consideration for 2019 GHGI

Background: Similar to previous stakeholder webinars, this provides an overview of the revisions to the GHGI under consideration, the methodology followed for the updates under consideration, and kicking off the stakeholder engagement process to seek feedback. This webinar occurs annually.

Audience: Open to all stakeholders (typically industry stakeholders)

Press: No

Will the presentations be available publically afterward?: Yes

OARIO presentation tracker list: Yes

OAR POC: Melissa Weitz

Thank you,

Amy Hambrick
